"The wine begins with aromas of black cherry and vanilla mingled with spice and cassis. On the palate, there are flavours of black cherry, vanilla, tobacco and chocolate. The long ripe tannins give the wine a polished texture."

"Full-bodied, juicy and spicy, this is well-rounded cabernet, with a small proportion of merlot for added softness in the mid-palate. Generously oaked, it's redolent of cassis, smoky cedar and dark cherry."

"Township 7 shows consistency and quality in their wines alongside generous fruit supported with structure. This Cabernet Sauvignon includes 15% Cabernet Franc in the blend, making for a wonderfully fragrant wine. Chocolate, mint leaf and cassis notes jump out of the glass, with dried herbs, spice and the scent of wild strawberries on the tail end. It has a slight chewiness on the palate from fine tannins and some nice focus from well-balanced acidity that boosts flavours of dark fruit, tobacco, brown spices and toasted oak.."
