"This is a blend of 40% Pinot Gris, 50% Gewürztraminer and 10% Riesling. The 14 grams of residual sugar here pop the flavours of peach, guava and citrus; but the acidity is bright enough to keep the finish fresh. You will enjoy this even if you don't have a sweet tooth."

"This aromatic blend of Gewürztraminer (50%), Pinot Gris (40%) and Riesling is drawn from four vineyards, including off the estate near the winery. Nicely balanced florals offer Ambrosia salad with melon, peach and pear as well as rose petal. Those tones filter onto the palate with a sense of elegance as a flick of spritz acidity provides nice tension to the residual sugar (1.4%). Pairing ideas include spicy Caribbean fare and Indian dishes or with light orchard-based desserts such as peach sorbet or pear tart."

"Fragrant, weighty, balanced. It is a fragrant melange of orchard fruits, peaches muddled with honey, citrus, rose and exotic spice. The palate is weighty with wonderful concentration and flavours of orchard fruits, tangerine peel, honey, lanolin and fine spice. Very nicely balanced and perfectly suited to spicy dishes."

**John Schreiner, renowned B.C. wine author** • June 2015

"This is 60% Gewürztraminer, 40% Pinot Gris, a blend that marries flavour with good acidity. The wine has a spicy aroma leading to flavours of pear, grapefruit and ginger. There is a touch of residual sugar here."

## 2012 Vintage

**Excellent - Eric Degerman, Great Northwest Wine** • Dec. 9, 2013

"The aromatics are rather pretty with notes of orange oil, watermelon, Sunkist Lime Jelly Belly candy and cellophane. Piercing acidity awaits on the palate with bright flavors of Granny Smith apple and Asian pear, a combination that balances the off-dry style."

"This very aromatic blend is a delicious golden-hued wine with fragrant lychee, peach, mango, honey, lime leaf, orange blossoms and sweet spices – clove, star anise and cinnamon. There is a kiss of sweetness on the palate that dries up on the finish, it is snappy and mouth-watering and very, very good.
