"This wine begins with an appealing floral and spicy aroma, leading to flavours of herbs and a hint of ginger. The palate is light and the finish is dry. This is a delicate wine to be enjoyed just for the purity of its fruit flavours and aromas."

**Rick VanSickle, Canadian wine critic** • May 3, 2016

"Lovely, stylistic nose of ripe tropical fruits, citrus rind and spice. It's dry on the palate with stone fruits in a fresh, lively, crisp style with spicy undertones on the finish."

## 2014 Vintage

"This wine is exclusive to Township 7's wine club; what an incentive to join! The aroma soars from the glass with notes of ginger and orange, leading to dramatic flavours of spice, orange rind and ripe cantaloupe. The wine just dances on the tongue and then finishes refreshingly dry. The delicate intensity of the finish lasts for several minutes. Lucky wine club members."

"Winemaker Mary McDermott recently came on board from Niagara, where she's made premium wines. McDermott was looking to work with a smaller winery and her first releases suggest she's a very good fit. Of note in particular is the juicy, floral and tangerine-toned 2014 Muscat, with structure, acidity and great length."

**& Top 115 Wines of 2015** • November 2015

"Pretty, pristine, tangy. Thrilled to see another delicious and dry Muscat. This is the first vintage of this slow, cool fermented 100% stainless steel aromatic beauty. Honey drizzled apricots, white raisins and citrus blossom aromas lead to a tangy palate with lemon/lime and stone fruit flavours. Focused, pristine and lengthy with racy acidity."

**"BC Wine Picks," Kurtis Kolt, Georgia Straight** • August 5, 2015

"Don't think about sweeter, late-harvest Muscats with this one. What we have here is a very dry table wine, zippy with grapefruit pith and litchi, trailing off with a slightly perfumed finish."
